## INTERNATIONAL TRAVEL RECOMMENDATIONS FOR BEL FLE GUESTS

WELCOME TO BEL FLE, A MISSIONARY HOTEL SERVING THE PEOPLE OF HAITI.  
WE ARE DELIGHTED TO HAVE YOU STAY WITH US.

*All guests are required to read and sign these travel recommendations.  
Please email completed form to [reservations@belfle.org](mailto:reservations@belfle.org) at least 7 days prior to arrival at Bel Fle.*

### VACCINATIONS

Please check with your doctor and/or the Center for Disease Control for the most up to date health information for travelers going to Haiti and for any individual medical concerns/questions. You may also contact a local travel clinic, where available, which specializes in vaccines for travelers for additional information. In general, most travelers need to ensure the following: make sure all routine vaccinations are up to date and update Hepatitis A and Typhoid vaccinations. For Haiti, we also recommend getting a prescription for Chloroquine (anti-malarial) and Cipro (antibiotic).

### PASSPORT

All international travelers must have a valid passport. The US State Department recommends renewing it 9 months before it expires to ensure access into your destination country. Here's a link to the US Passport website, which gives you instructions on how to apply for or renew your passport:  
<http://travel.state.gov/passport/>.

### TRAVEL INSURANCE

Travel insurance is strongly recommended as a precautionary measure for all guests traveling internationally.

### REGISTERING WITH THE DEPARTMENT OF STATE

We recommend that all international travelers register with the Department of State. This is an easy process to complete. Simply visit the website below, create an account and follow the prompts to register yourself or your group as a whole with the Department of State. This enables the US government to track all US citizens in the event of an emergency: <https://step.state.gov/step/>.

### SAFETY AND TRANSPORTATION CONSIDERATIONS

Security is provided at Bel Fle 24 hours a day, every day. Bel Fle does not provide any transportation to or from our facility. We strongly encourage groups to make arrangements for their own security and transportation prior to arrival. We also encourage all guests to implement a buddy system while traveling in Haiti to ensure the safety of all participants. We do not recommend leaving Bel Fle's facility on your own. We also do not recommend leaving the facility after dark. Please talk to on-duty staff for additional information.
